Can the information be split down into years for the information provided in FOI 2448?

FOI 2448 - Professional Memberships and subscriptions

Please, can you supply me with data on professional bodies, memberships and subscriptions that the Food Standards Agency have paid in the last 3 years? This should include where the Agency has paid the fee directly and where a member of staff has claimed reimbursement.

Please, can you include a list of each organisation and the number of times it has been paid?

Response

Please see the Annex below detailing the payments made to professional bodies in line with the financial years from April 2016 to March 2019 inclusive. The results are based on payments coded to the account code for professional fees and are split between payments made via direct invoicing, Government Procurement Card and reimbursements to staff.

Please note that some of original figures were incorrectly calculated for the last tables provided in response to FOI 2448, this has been rectified in the yearly breakdown provided in the below Annex.
