

Food Standards Agency: Information released under the Freedom of Information Act

Date released: 29 July 2016

Annex

Request:

Please could you provide me with information about your ICT expenditure, as broken down in the attached template? I have included this template in order to make it easier for you to understand my requirements and provide answers.

I appreciate that you may publish contracts and transparency data, but I was unable to find the information to the level of detail I require in publish sources.

Within the response, please include:

- * Expenditure from all parts of your organisation (central services and business units);
- * As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and
- * Both revenue (or operating) expenditure and capital expenditure

If you could input the answers in this template and return to me by email as an attachment, this would be much appreciated.

Response:

1. The FSA has an outsourced managed IT service with all except backup services being supplied by Capita IT; the backup services are provided by Databarracks.
2. Both contracts are ongoing and cover the periods requested with the cost of the Capita service being £3.26m pa and Databarracks £190k pa.
